Irresistible! Unwiderstehlich!Von susanne sturmFirst of all: I really surprised about this Story. And I really obsessed with Charles.And now I can't say more in english. I will describe it in my own Language.Von Anfang an war ich von Charles fasziniert! Er ist glaubhaft sexy, hart und distanziert.Als ihm Zweifel am geistigen Zustand seiner Sub

kommen, nimmt er das sehr ernst. Und dann verliert er seine Distanziertheit und fhlt etwas fr ihn Neues. Ich will nichts verraten, aber ich gne ihm alles Glck.

Kurzbeschreibung In the world of pain and pleasure, Charles Damien Macavoy reigned. He was a man apart, one who required more than most. He was a Master of BDSM. Hed been asked by another Dom a good friend to train the Doms current sub and love interest. Charles had trained many, but found himself attracted to his new trainee. He was aware that the fascination would wear off, it always did, and hed return the trainee to her Master willing and ready to submit. Lurking in the shadows of a world few are accustomed to is evil. Sometimes a thing of beauty has hidden thorns. Sometimes the hunter becomes the hunted. **This book contains...BDSM, explicit sex and for those over the age of 18. **
