**Von Douglas Adams : Dirk Gently's Holistic Detective Agency (Dirk Gently Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dirk Gently's Holistic Detective Agency (Dirk Gently Series):

KurzbeschreibungDirk Gently's Holistic Detective Agency by Doulgas Adams, author of The Hitchhiker's Guide to the Galaxy, is a much-loved cult classic, that has spawned radio dramas, television, theatre and comic book adaptations across the globe.What do a dead cat, a computer whiz-kid, an Electric Monk who believes the world is pink, quantum mechanics, a Chronologist over two hundred years old, Samuel Taylor Coleridge (poet), and pizza have in common?Apparently not much; until Dirk Gently, self-styled private investigator, sets out to prove the fundamental interconnectedness of all things by solving a mysterious murder, assisting a mysterious professor, unravelling a mysterious mystery, and eating a lot of pizza - not to mention saving the entire human race from extinction along the way (at no extra charge). To find out more, read this book (better still, buy it then read it) - or contact Dirk Gently's Holistic Detective Agency. 'A thumping good detective-ghost-horror-who dunnit-time travel-romantic-musical-comedy-epic' - The author
