Kurzbeschreibung Jeremy Lindens a PhD student researching an HIV vaccine. Hes always short of money, and when biotech startup PharmaTek reduces funding for his fellowship, hes tempted to take a job at a mens dining club as a serving boy. The uniforms are skimpy, and hes expected to remove an item of clothing after each course. He can handle that, but he soon discovers theres more on the menu here than fine cuisine. How far will he go to pay his tuition, and will money get in the way when he realizes hes interested in more from one of his gentlemen? Brice Martin is an attorney for a Silicon Valley venture capital firm. When hes asked to take a client to the infamous Dinner Club, he finds himself unexpectedly turned on by the atmosphere and especially by his server, Remy. He senses theres more to the sexy young man than meets the eye. The paradox fascinates him, and he cant get enough of Remy. Their relationship quickly extends beyond the club and sex. But the trust and affection theyve worked to achieve may crumble when Jeremy discovers Brices VC firm is the one that pulled the plug on PharmaTekand Jeremys research grant.
