his books. Last time that happened was with Stephen King's Dark Tower series. The Jack Daniels series is a perfect mix of well-researched, well-plotted crime novel peppered with good laughs. Jack, her friends and even the villains feel like family already, and I'm happy that there are more Jack Daniels books waiting for me. On a personal note, J.A.: big thumbs up to you for your marathon-writing discipline and superhuman dedication to writing. I read a big part of your Newbie's Guide (being one myself) and I'm truly impressed. May you continue to serve as one of my role models in the writer's guild, and may your success keep thriving - you definitely deserve it!

Von T. Renzer

A new guy is in town, called the Chemist. He spreads his deadly BT and TEPP germs and other deadly poison all over Chicago to kill lots of people. But as always he does it for money. He wants 2 million Dollars to stop.

Police Lieutenant Jacqueline Margaret Daniels is dealing to stop him. But she is under a lot of pressure, because her boyfriend Latham was proposing and lays now down in coma, cockroaches are flooding the police station and its a do-or-die game, her chief is playing with her. Is she able to stop the Chemist good, if not, she has to quit her job

The 4th Jack Daniel Story is a bit better than the three before. I think, J. A. Konrath has now found his style, his rhythm, his flow, the right sense of humor

Definitely three and a half stars.

Von Nefret

J.A. Konrath liebt es in seinen Romanen blutig. Da wird gemordet, so dass Blut und Innereien spritzen. Umso überraschender ist es, wenn nun ein Giftmörder hier sein Unwesen treibt. Allerdings kann man mit Gift noch mehr Menschen um die Ecke bringen, so dass es kaum noch möglich ist, die Opfer zu zählen.

bertreibungen sind Konraths Markenzeichen. Hier ist alles über die Top. Hinzu kommt sein Humor, der gerne ins Alberne abdriftet. Wenn man sich darauf einlässt, macht es ungeheuren Spaß.

In Dirty Martini trifft der Leser auf alte Bekannte. Neben natürlich Jack Daniels sind dies ihr Kollege Herb und Ex-Kollege Harry, der für einige Zoten sorgt.

Kurz: auch dieser Teil der Reihe sorgt wieder für enorm viel Unterhaltung.

**Kurzbeschreibung**

In Whiskey Sour, Chicago police Lieutenant Jacqueline "Jack" Daniels hunted down a killer dubbed "The Gingerbread Man." In Bloody Mary, she busted a psychopath with a penchant for dismemberment. In Rusty Nail, it was a serial killer with a doozy of a family tree. And now, in Dirty Martini, Jack faces her toughest adversary yet: a sicko who's poisoning the city's food supply. But that's just the start of what he has planned, because he's aiming to kill fifty thousand people in the single biggest act of terrorism the US has ever seen. Can she stop him and decide whether to accept boyfriend Latham's surprise proposal without destroying both her reputation and her sanity?

Join Jack, her partner Herb, and her nemesis Harry McGlade, for her fourth, and greatest, case so far.
