Different is good! Von Maren Beuttler I was wary reading Dirty Nails because it's so out of my genre, but it totally surprised me! It's dark and twisted but it's so well written, you can feel with Shay/Sadie every move and decision she

makes. I've read it within two nights and couldn't barely lay it aside. It's definitely not the last book I've read in this genre.

KurzbeschreibungFrom the outside looking in, this life may seem jacked up. People may think that I've completely lost my mind. They only see the bruises. They don't know that Maxwell Costin saved my life, and that I owe him everything. I'm alive because of him. So when he tells me to keep my mouth shut, and do what he says then that's exactly what I do. And if anyone asks about the dirty bodies, the dirty floors, or Max's dirty hands, I know nothing. Even if the man asking is dark and dangerously sexy. I will not break. Try me ***Recommended for ages 18+ due to graphic language, sexual content, mature subject matter.*** This book is not for the weak at heart.
