Von Mary Whitney : Disclosure of the Heart (The Heart Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Disclosure of the Heart (The Heart Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Brill readVon Philomena(Cheekypee)This is the second part of Nicki Adams story I enjoyed this thoroughly... Probably

more so than the first one. I certainly recommend reading *Beside Your Heart* before you read this. This is the grown up part of the story with little flash backs of when they were younger. I found this story to not be as emotional as the first one. It was happier than first. Totally enjoyed this can't wait to read more from this brilliant author. Received in return for an honest review.

Kurzbeschreibung Sixteen years is a long time to wait for your true love to reappear, and, anyway, Nicki Johnson couldn't wait for the impossible to happen. Hard life lessons have taught her that fairy tales are children's stories, and fate is cruel. Burying her hopes, she's spent the last sixteen years focused and driven toward her career, and it's landed her with a job at the White House with a gem of a boyfriend. But when her high school love, Adam Kincaid, walks into the White House as a BBC reporter, Nicki's world is thrown into turmoil as she relives their past. Adam has come back for her, but has he arrived too late?
