Von Robert Kroese : Disenchanted (Land of Dis Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Disenchanted (Land of Dis Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Really good readVon Andy W CouchI was not sure what to expect, but I really enjoyed it. Two different timelines run perfectly together showing what the hero has learned. There are plenty of twists as well.The humor is great and

especially if you have read a lot of fantasy like me, there are some hilarious little jabs at the genre.

Kurzbeschreibung Robert Kroeses *Disenchanted* comes fully loaded with the wit and charm of *The Princess Bride* and a sense of humor all its own. This clever take on the traditional fantasy includes footnotes that keep the narrator honest, a cast of characters that resembles something out of the *Island of Misfit Toys*, and a fantastic setting filled with words and names that test pronunciation skills. Being assassinated doesn't have many upsides, so when King Boric is felled by a traitor, the king comforts himself with the knowledge that, like all great warriors, he will spend eternity carousing in the Hall of Avandoor. There's just one problem: to claim his heavenly reward, Boric must release the enchanted sword of Brakslaagt. Now, to avoid being cursed to walk the land of Dis forever as an undead wraith, he must hunt down the mysterious Lord Brand who gave him the sword twenty years ago. So begins Boric's extraordinary journey across the Six Kingdoms of Dis, a walking corpse who wants nothing more than to be disenchanted and left in peace. Along the way he's advised by the Witch of Twyllic, mocked by the threfelings of New Threfelton, burned, shot at, and nearly blown to bits. But nothing can prepare him for coming face-to-face with Lord Brand. For in that moment, Boric discovers that nothing in life, in death, or in between is exactly what it seems.

Episode List This book was initially released in episodes as a Kindle Serial. All episodes are now available for immediate download as a complete book. Learn more about Kindle Serials

den Autor Robert Kroeses sense of irony was honed growing up in Grand Rapids, Michigan home of the Amway Corporation and the Gerald R. Ford Museum, and the first city in the United States to fluoridate its water supply. In second grade, he wrote his first novel, the saga of Captain Bill and his spaceship *Thee Eagle*. This turned out to be the high point of his academic career. After barely graduating from Calvin College in 1992 with a philosophy degree, he was fired from a variety of jobs before moving to California, where he stumbled into software development. As this job required neither punctuality nor a sense of direction, he excelled at it. In 2009, he called upon his extensive knowledge of useless information and love of explosions to write his first novel, *Mercury Falls*. Since then, he has written nine more novels and learned to play the guitar very poorly.
