Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good but not as good as the first book. Von Mr. R. Van Schelven The first book was really amazing. This one I found not as good. I did not like the story, the characters. I did not find it very realistic. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A rather ordinary crime novel Von Sren Kpkelf you like scandinavian crime novels, give the

Department Q series a try. It has its moments. This case has a set of interesting baddies and overall a good plot, but some things are quiet unbelievable. Go for it if you are looking for some quick entertaining read in the crime genre.0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend bis zum Schluss ... Von Kunde.... und doch auch ein wenig traurig! Konnte das Buch nicht mehr zur Seite legen. Auch in Englisch super zu lesen! bersetzung ist gut gelungen (for not native speakers)
