Von Alan Dean Foster : Diuturnity's Dawn: Book Three of the Founding of the Commonwealth before purchasing it in order to gage whether or not it would be worth my time, and all praised Diuturnity's Dawn: Book Three of the Founding of the Commonwealth:

KundenrezensionenHilfreichste Kundenrezensionen6 von 6 Kunden fanden die folgende Rezension hilfreich. Klimax bis zur Grndung des Homax CommonwealthVon Gregor Theis"Diuturnity's Dawn" ist das letzte Buch von Alan Dean Foster's Foundation of the Commonwealth" mini Subserie die aus den folgenden Bchern besteht:- Phylogenesis-Dirge- Diuturnity's DawnIn "Diuturnity's Dawn" erfahren wir in drei Haupthandlungstrngen die finalen

Entwicklungen, die in der Gründung des Humanx Commonwealth münden:- Tranx / Aan Konflikt in einer Ausgrabungsstätte auf dem Planeten Dawn- Die Entwicklung der diplomatischen Mission der Menschen auf Hive Dom mit der Protagonistin Fanielle Anjou- Die Abenteuer von zwei Missionaren der United Church auf einer interkulturellen Messe mit Menschen und ThranxIch möchte hier nicht weiter auf die Details eingehen, da diese zu viel der Handlung verraten (das Ende ist sowieso klar, da das Commonwealth in zeitlich späteren Bchern besteht).Besonders gefallen haben mir die beiden Missionare von der vereinigten Kirche, von denen ich gerne noch mehr gelesen hätte.Das Buch ist recht kurzweilig und recht spannend, wenn ich auch schon bessere Bücher von Foster gelesen habe. Ich habe die ersten drei Bände von der Foundation Serie noch nicht gelesen aber ich plane diesen Zustand zu ändern. Für Fans von Alan Dean Foster und des Commonwealth zu empfehlen. Für Einsteiger würde ich eher die Flinx Romane empfehlen.

KurzbeschreibungIn nearly two dozen novels about the Humanx Commonwealth, Alan Dean Foster has fascinated readers with his brilliantly imagined interstellar realm where humans, thranx, AAnn, and other species strive to work together to put the common good above selfish ends. But renewed efforts at cooperation prove that familiarity breeds contempt. *Diurnity's Dawn* is the third thrilling novel in *The Founding of the Commonwealth*, a spectacular space adventure that traces the perilous early years of this remarkable universe. From the beginning, while sharing the Orion Arm of the galaxy, contact between humankind and the thranx has been tenuous at best. Yet nearly a century after first contact, the likelihood of closer human/thranx relations is as far away as ever. Humans still find these insectlike beings physically repulsive, and distaste the thranx return in kind. At times the cordial veneer barely conceals the suspicion and distrust boiling just below the surface. Yet idealists on both sides refuse to surrender their dreams of achieving a thranx/human alliance. Among the most dedicated are a minor diplomat named Fanielle Anjou and her thranx counterpart. Others intend to make sure such a liaison never comes to pass . . . by any means necessary. For these xenophobes, the upcoming Humanx Inter-Cultural Fair, the first wholly cross-species event, is a hideous confirmation of their worst fears. Zealots on both sides vow it will be the last of its kind, no matter how many must die. In the coming conflagration Fanielle holds the key to triumph but only if she can outwit those desperate to silence her forever. Meanwhile, on a faraway planet, the duplicitous AAnn watch intently as archaeologists labor to discover what happened to an advanced human race that perished thousands of years ago. For the answers contain grave consequences for human, thranx, and AAnn alike . . . From the Hardcover edition. From Booklist The conclusion to the *Founding of the Commonwealth* trilogy cements the affinity of humans and the insectlike Thranx. At first, the Thranx's delicious natural perfume captivated humans; thereafter, people discovered the aliens' dry sense of humor and love of poetry and art. Mutual appreciation for the finer things by the Thranx and at least some humans is the driving force behind the intercultural fair held on the planet Dawn. Meanwhile, on the frontier world Comagrove, an uneasy archaeological alliance of Thranx, humans, and Aan explores the well-kept secrets of the lost civilization of the Saun. After a series of accidents that occur where the Aan are convenient for helping an injured or stranded human, the chief Thranx scientist starts suspecting an anti-Thranx conspiracy. Back on Dawn, such a conspiracy seems to be up and running, for terrorists there plan vicious destruction to crush the infant commonwealth. Unexpected players in this engrossing drama are the brothers, human and Thranx, of the anything but dogmatic United Church, which ministers to both species with laughter and sensitivity.
