And the way of Dev and Lee through the ups and downs of having a relationship with a profesional football player continuesVon Rei LoireJust having made it through the Problems with Mikhail, Dev's father, Lee is thrust into the devorce of his parents and the affliction of his mother with a religious Group literally damn all gay People to hell and

suggest that the parents should sever all ties as those People are lost for all time from salvation. After Lee learns that a gay college athlete has made suicide due to his own Family abandoning him his Long buried activist side resurfaces. As expected that leads to conflicts in his relationship with Dev, especially as the tiger's spot in the Team is only secure as Long as he is successful and any kind of distraction could mean the end of his career. And as an old 'friend' finds his way back to Lee the problems come without end. If you liked the first two you can't miss this one.

Kurzbeschreibung It's been over a month since Devlin Miski came out publicly, and no other professional athlete has followed suit. Dev just wants to put it all behind him and play football, helping his Chevali Firebirds win their first-ever division title. If only his teammates--and everyone else--could just let it go, he'd be fine. But there's one teammate in particular who seems determined to make his life difficult...And for his boyfriend Lee, the past is never laid to rest. If it isn't his parents' troubled marriage, it's an old friend pulling him back into gay rights activism. Lee could make a splash by getting Dev to promote gay rights, but he knows it would distract Dev from football. So he has to balance the pressures of the outside world against the needs of his relationship, and even for a clever fox, that's a tall order. In this third volume of Dev and Lee's story, the tiger and fox continue to explore their relationship. Personalities clash and dreams are on the line as Dev and Lee navigate their very public lives and try to stay true to

themselves. Kurzbeschreibung It's been over a month since Devlin Miski came out publicly, and no other professional athlete has followed suit.
