Great seriesVon ClaudiHI've read the series up to this book, and each one of them was a great read. Nice characters, well developed, funny, interesting, and each book made me want to find out who was going to find love in the next book.I

haven't read book 10 yet, but book 1 to 9 are absolutely recommendable. Very well edited, too. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Fnf Sterne/ five stars Von Carina Ein wunderbarer neunter Teil der Better Date than never Serie von Susan Hatler! Dieses Mal geht es um Melinda, die in den vorherigen Bchern nie zur Clique gehrte und wenn erwht, immer angsteinflend (weil perfekt) abseits stand. Doch nun geht es schlecht. Sie hat ihren gut bezahlten Job verloren, musste in eine WG (mit Ginger) ziehen und muss auch noch erfahren, dass ihre Lieblingsbckerei ihr zweites Zuhause verkauft wird. Weil das alles aber noch nicht genug ist, tritt auch noch Nate wieder auf der Bildflche auf. Er war als Kind ihr bester Freund, bevor er mit 14 klang- und sanglos eines Tages nach Paris verschwunden ist obwohl er sie gekst und sie so jahrelang mit Sehnsucht und Liebeskummer zurckgelassen hat! Das Gefhlschaos ist perfekt, zumal ihr Vater ihr eine Carpe Diem Liste hinterlassen hat, die sie so schnell wie mglich abarbeiten will, denn was ihr Vater als Nutze den Tag (und hab Freude dran) sieht, ist fr Melinda schwere Arbeit! Soviel zum Inhalt. Meine Meinung: Fnf Sterne! Hatler schreibt wie gewohnt witzig und gekonnt. Diesmal kommt auch eine etwas traurigere Komponente hinzu, die aber nichts am Wohlflhcharakter des Buches ndert. Entwarnung: Man braucht keine Taschentcher, oder zumindest nicht viele. Ich habe mich sofort ins Hndchen und natrlich auch in den Abenteurer Nate verliebt. Auf gut 110 Seiten entwickelt Hatler einen weiblichen Charakter, der am Anfang zugeknipft und ngstlich wirkt, am Ende jedoch glcklich mit Hund, Mann und Freundinnen ist. Eine Warnung muss ich jedoch noch loswerden: Man kriegt Appetit! Am besten haben Sie eine Packung ihrer Liebessigkeit neben Ihnen liegen, wenn Sie Dj Date lesen. Jedes Buch kann einzeln und auch auer der Reihe gelesen werden. Die Hauptcharaktere der anderen Bcher treten immer nur im Hintergrund (als Freundinnen, Kummerkasten, auf dem Mdelsabend etc) auf. Fr mich gibt es nichts Besseres um einen nervttenden Tag noch friedlich und gutgelaunt zu beenden, denn Susan Hatlers Bcher hinterlassen einen mit einem guten Gefhl. Worauf warten Sie also noch? Schnappen Sie sich Ihren Kindle, legen Sie Pralienen bereit und die Fe hoch und fangen Sie an zu

lesen! \*\*\*\*\* A wonderful ninth part of the Better Date than Never Series by Susan Hatler! We meet Melinda who was the intimidating perfection in the other novels and didnt belong to the group of girlfriends. But life has treated her with some hard knocks in the last time: She lost her job, was forced to get a roomie and has to deal with the fact that her best loved bakery is going to be sold. But this is not enough! No, because Nate, her once-upon-a-time best friend, Nate, is coming home and wants to reconnect with her And that after he kissed and left her for greener pastures in Paris, France at the tender age of 14. He left her without a word and therefore heartbroken for years. The chaos in her life gets perfect when she discovers a Carpe Diem list, which was given to her by her late father. She tries frantically to get over with it as her dads Seize the day (and have fun doing so) catalog is pure torture to her. My review: five stars! Miss Hatlers writing is as always inspired and funny. Though we get to deal with a little sad circumstance (no tissues needed or at least not many), she leaves us with a warm feeling. I instantly fell in love with her pooch and of course with the adventurous hunk called Nate. Miss Hatler lets her heroines character develop from a buttoned-up, stiff and anxious perfectionist to a happy young woman surrounded by the love of her dog, her man and her new girlfriends. Though I love this read I have to warn you: Youll get hungry! As a huge part of the story of Dj Date takes place in a bakery you need to have your choice of sweets close at hand. Each book of the series can be read as standalone or out of the chronological order. The other female characters are mentioned only as friends mostly without development in their own storylines. The last thing I have to say is that nothing gets me in a good mood after a bad day as fast as a read of one of Susan Hatlers Better Date than Never novels. So what are you waiting for? Grab your kindle, get your favorite sweets, get comfortable and start reading!

Kurzbeschreibung (Better Date than Never series, Book 9) Melinda Morgan commits to running her favorite neighborhood bakery when the owner, who's like a second dad to her, falls ill. Then she finds out his adventurous son, Nate Carter, is back in town. Nate was Melinda's first kiss and greatest heartbreak all rolled into one, yet he's still as charming as ever. When Melinda learns Nate's dad is selling his bakery, she realizes her dream to own the bakery herself. But in order to access her inheritance funds, she must first complete her father's Carpe Diem list, which challenges her to take risks she normally wouldn't--like only dating someone who leaves her breathless. Nate wants a second chance with her and she finds him nearly impossible to resist. Could he be the key to completing her dad's list and saving the bakery? And can he help her do both without breaking her heart all over
