Vorwand eine Biographie über ihn schreiben zu wollen, die Familie zu begutachten wegen der er sie und ihre Mutter verlassen hat (anonym natürlich). Dort begegnet sie C.J. Jones einem ehemaligen Anwalt und Bruder der Witwe ihres Vaters. Es herrscht gleich eine Anziehungskraft zwischen ihnen die Angel auf jeden Fall zu unterdrücken versucht. Auch C.J. hat mit seiner Vergangenheit noch nicht abgeschlossen. Das Buch ist gut für Nachmittage zu Hause. Es enthält Witz, Action und jede Menge Gefühl. Es lohnt sich auf jeden Fall es zu lesen.

Kurzbeschreibung You can choose your friends, but you can't choose your family. Investigative reporter Angel Buchanan dug up a whopping surprise: The late "Artist of the Heart" Stephen Whitney -- famous for his family values -- was the father who'd abandoned her when she was four. And there's nothing like the reading of a will to bring people out of the woodwork, especially relatives you never knew you had.....Such as the grieving widow and her sexpot twin sister...and a hunky man Angel is thrilled to learn is not any kind of cousin at all. He's C.J. Jones, the legendary lawyer determined to keep her quiet about her late, not-so-great deadbeat dad's secret life. Angel knows he'll try to woo her into submission, but how can she resist? The setting: Tranquility House, a remote retreat containing plenty of private rooms and romantic hideaways. But how far will C.J. go to get what he wants? And, for that matter, how far will Angel?

ber den Autor und weitere Mitwirkende Christie Ridgway has never lived east of the Pacific Ocean, north of San Francisco, or south of San Diego. To put it simply, she's a California native who loves to travel but is happy to make the Golden State her home. She began her writing career in fifth grade when she penned a volume of love stories featuring herself and a teen idol who will probably be thrilled to remain nameless. Later, though, after marrying her college sweetheart, Christie again took up writing romances, this time with imaginary heroes and heroines. In a house full of males one terrific husband, two school-age sons, a yellow dog, and tankfuls of fish, reptiles, and amphibians Christie makes her own place (and peace) writing the kinds of stories she loves best.
