Grayson lives in the state of Florida, where the heat and sweat naturally inspire him to write erotica. With every work, Grayson attempts to straddle the line of sensuality and kink, story and sex, as well as fantasy and reality. He strives to add imagination to every plot line, in addition to each sex act. Some stories are lighter in tone; others are darker, though his ultimate goal is spice up the sex life of readers. If just one of his stories adds some lust to their love, then his mission is accomplished.
