**Von Justin Richards : Doctor Who: Code of the Krillitanes (Doctor Who: Quick Reads)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Doctor Who: Code of the Krillitanes (Doctor Who: Quick Reads):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ersatzdroge fr WhoviansVon The NurseDie Geschichte nimmt Bezug auf die Episode "Klassentreffen" aus der 2.Staffel und wrmt die Krillitanes Storyline auf. Die Geschichte spielt anscheinend nach der Episode "Das Ende der

Reise". Der Doktor ist gerade Companion-los, was irgendwie schade ist., weil der zehnte Doktor erst zur Hochform aufluft, wenn er einen Companion hat, der ihm das Wasser reichen kann. Von allen Doctor Who Geschichten, die ich gelesen habe ist die Story sicher eine der schwachsten, weil sie einfach nur die Handlung von "Klassentreffen " aufwrmt, ohne etwas neues zu bringen. Wenn man den 10. Doktor vermisst oder die Wartezeit auf die nchste Staffel endlos lang erscheint, wenn man die Wartezeit beim Arzt oder einen ereignislosen Nachtdienst rumbringen mchte (und zuzstzlich Englisch lernen mchte) ist diese Kurzgeschichte eindeutig empfehlenswert.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr schn - aber nur fr echte Fans ab der 3. StaffelVon DavinaIch habe dieses kleine Buch heute innerhalb der Wartezeit beim Arzt gelesen - in 1 1/2 h!Ein schne Geschichte, allerdings nimmt sie Bezug auf eine Folge in der 2. Staffel Dr Who. Wortgewaltige Umschreibungen fehlen, was aber nicht schlimm ist, wenn man die Serie kennt. Netter Zeitvertreib und wieder ein neues Abenteuer vom Doctor - absolut lesenswert

Kurzbeschreibung"I blame those new Brainy Crisps. Since he started eating them, he's been too clever by half."Can eating a bag of crisps really make you more clever? The company that makes the crisps says so, and they seem to be right. But the Doctor is worried. Who would want to make people more brainy? And why? With just his sonic screwdriver and a supermarket trolley full of crisps, the Doctor sets out to find the truth. The answer is scary - the Krillitanes are back on Earth, and everyone is at risk! Last time they took over a school. This time they have hijacked the internet. Whatever they are up to, it's big and it's nasty. Only the Doctor can stop them - if he isn't already too late... A short, sharp shot of adventure, featuring the Doctor as played by David Tennant in the hit Doctor Who series from BBC Television.Kurzbeschreibung"I blame those new Brainy Crisps.
