KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Empfehlenswert fr Doctor Who FansVon JuuumForever Autumn ist eine sehr spannende und vielfltige Geschichte. Man kann sich die Charaktere, wie man sie aus der Serie kennt, lebhaft vorstellen, sodass das Buch auch einige

witzige Stellen enthält. Der Handlungsstrang und die Auflösung sind zudem in sich logisch.

KurzbeschreibungIt is almost Halloween in the sleepy New England town of Blackwood Falls. Autumn leaves litter lawns and sidewalks, paper skeletons hang in windows, and carved pumpkins leer from stoops and front porches. The Doctor and Martha soon discover that something long-dormant has awoken in the town, and this will be no ordinary Halloween. What is the secret of the ancient chestnut tree and the mysterious book discovered tangled in its roots? What rises from the local churchyard in the dead of night, sealing up the lips of the only witness? And why are the harmless trappings of Halloween suddenly taking on a creepy new life of their own? As nightmarish creatures prowl the streets, the Doctor and Martha must battle to prevent both the townspeople and themselves from suffering a grisly fate...Featuring the Tenth Doctor and Martha as played by David Tennant and Freema Agyeman in the hit sci-fi series from BBC Television. **Pressestimmen**"enjoyable romp...Morris' prose is as light on its feet as David Tennant himself, the Tenth Doctor's infectious energy driving the story forward with whip-smart dialogue and kinetic plotting. Great fun" (SFX Magazine)**Werbetext**It's no ordinary Halloween in Blackwood Falls a chilling time travel adventure from the bestselling Doctor Who fiction series
