written 10th doctor fun and adventure Von U. Ullrich I read through this book really quickly because I could not put it aside. The 10th Doctor is wonderfully captured and the story absolutely great. I enjoyed every minute of the read and never felt suspension drop. So hurry up and get it yourselves. This is fun not to be missed, if you like Doctor Who as much as me. Especially if your first Doctor is the 10th Doctor and you just love that character. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolles Buch Von Sonea Gut geschrieben und anschaulich umgesetzt. Fr Doctor Who Fans (und alle, die es werden wollen) auf jeden Fall ein englisches Leseabenteuer, dass es in sich hat...

Kurzbeschreibung When the TARDIS materialises in medieval Worcester, the Doctor finds the city seemingly deserted. He soon discovers its population are living in a state of terror, afraid to leave their homes after dark, for fear of meeting their doom at the hands of the legendary Devil's Huntsman. For months, people have been disappearing, and the Sheriff has imposed a strict curfew across the city, his militia maintaining control over the superstitious populace with a firm hand, closing the city to outsiders. Is it fear of attack from beyond the city walls that drives him or the threat closer to home? Or does the Sheriff have something to hide? After a terrifying encounter with a deadly Krillitane, the Doctor realises the city has good reason to be scared. Featuring the Tenth Doctor as played by David Tennant in the hit Doctor Who BBC Television series. **Werbetext** The Doctor battles the Krillitanes, in the latest sci-fi novel in the bestselling Doctor Who range **Kurzbeschreibung** When the TARDIS materialises in medieval Worcester, the Doctor finds the city seemingly deserted.
