Von Boris Pasternak : Doctor Zhivago (Vintage Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Doctor Zhivago (Vintage Classics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great novel thoughVon John T CI watched the movie before I read the book and one thing for sure is the fact that the movie dwelled too much on the Lara and Yuri love story. However, the novel goes deeper, describing Russia as it was during the first half of the last century especially before the Second World War. Actually, the novel revolves around Yuri

Andreivich Zhivago a doctor and poet whose life is a series of trials beginning with the funeral for his mother' until he too made the honorable exit to the world beyond. Dr Zhivago trials take him across the length and breadth of Russia through war as a soldier in the Red Army and as a man with a strong desire to lead a normal life with his wife and son, but who cannot avoid the love of a woman destiny always put on his way. The remarkable thing about Dr ZHIVAGO is the fact that Pasternak successfully made it possible for the reader to look beyond the tragedies and sufferings in the story to the worthiness of life that comes with love and loving. Romance is born and even thrives in tragedies and misery showing that life can be beautiful at all times because the human soul that harbors hope can endure the worst atrocities of war and still stay beautiful. Rich and poetic, DR ZHIVAGO is a breathtaking story. It has a few flaws, but the underlying strength of the story is overwhelming. Reminds me of The Union Moujik, War and Peace, and Taras Bulba. I enjoyed DR ZHIVAGO and would recommend it to any book enthusiast, especially someone with an interest in Russian literature.

Kurzbeschreibung The perfect gift for Valentines Day From the acclaimed translators of War and Peace and Anna Karenina, a stunning new translation of Boris Pasternak's Nobel Prize-winning masterpiece, the first since the 1958 original. Banned in the Soviet Union until 1988, Doctor Zhivago is the epic story of the life and loves of a poet-physician during the turmoil of the Russian Revolution. Taking his family from Moscow to what he hopes will be shelter in the Ural Mountains, Yuri Zhivago finds himself instead embroiled in the battle between the Whites and the Reds, and in love with the tender and beautiful nurse Lara. Richard Pevear and Larissa Volokhonsky have restored the rhythms, tone, precision, and poetry of Pasternak's original, bringing this classic of world literature gloriously to life for a new generation of readers. Pressestimmen "The first work of genius to come out of Russia since the Revolution" (V.S. Pritchett) "The English-speaking world is indebted to these two magnificent translators" (New York of Books) "One of the great events in man's literary and moral history" (Edmund Wilson) "Belongs to that small group of novels by which all others are ultimately judged" (Frank Kermode Spectator) "Not since Shakespeare has love been so fully, vividly, scrupulously and directly communicated" (Isaiah Berlin Sunday Times) Werbetext A new translation of one of the greatest love stories ever told, in a beautiful gift edition.
