Schner Cowboy-RomanceVon Petra PfaffenbergerNach dem Tod ihres Mannes kann Sarah die vertraute Umgebung nicht mehr ertragen. Also verkauft sie alles und zieht mit ihren beiden Jungs auf eine kleine Ranch, die sie und ihr Mann vor Jahren als Ferienhaus erworben haben. Dort hofft sie ihren Jungs wieder nher zu kommen und als Familie wieder

enger zusammenzuwachsen. Bereits bei ihrer Ankunft lernt sie Dodge kennen, der ihr bei den Startschwierigkeiten zur Seite steht. Dodge hat allerdings selbst mit einigen Problemen aus seiner Vergangenheit zu kämpfen. Von den Gemeindebürgern verachtet, lebt er am Rand der Gesellschaft und bleibt gerne für sich. Als jedoch einige ungeklärte Vorfälle auf der Ranch passieren und Sarah und ihren Söhnen Gefahr droht, bleibt Dodge in deren Nähe. Die Anziehungskraft zwischen Sarah und Dodge wird immer stärker, bis sich keiner mehr eine Zukunft ohne den anderen vorstellen möchte. Doch Stolz und Angst stehen ihnen im Weg. Es ist eine schöne Cowboy-Romanze mit einem klitzekleinen Teil Suspense. Zwar sind einige Dinge unglaubwürdig, doch die netten Charaktere machen dies wieder wett. Wer Ranchromances und Cowboys mag, wird auch diese Geschichte gerne lesen.

**Kurzbeschreibung** Two years after her husband's death, Sarah Woodward moves her boys away from their fast paced life in suburban Atlanta to small town Hailey, Colorado. But Sarah doesn't know a Colorado Senator has earmarked her ranch for purchase and he'll do anything to get it. Unwilling to sell, she dismisses his continued offers and moves ahead by improving the land with the help of a sexy stranger. A.J. Dodge is a man with a past. He's returned to his hometown ready to set down roots and make things right with his family and whatever anyone else thinks he doesn't give a damn. Until his old friend Tommy Thornton asks a favor, a favor he can't refuse, and Dodge becomes involved with the beautiful widow Sarah Woodward. She's alone with her young sons on a dilapidated ranch she's determined to get up and running with or without his help. Under pressure to deliver the Woodward ranch to a land developer with shady connections, the senator sets in motion a dangerous plot to convince Sarah to sell. Dodge will risk everything to protect Sarah and the boys including his heart.

**ber den Autor und weitere Mitwirkende** Christy Hayes lives with her husband outside Atlanta, Georgia, with four children and two dogs. She has a journalism degree from the University of Georgia (Go Dawgs!) and she's a member of Romance Writers of America and the Womens Fiction Chapter of Romance Writers of America. She's been writing seriously since 2004 and made the decision to indie publish in 2011. Christy writes romance and romantic womens fiction from her little basement office in the South. She's cooked up all kinds of trouble for her flawed characters when she's not driving her kids to one sporting event or another or walking her pesky rescue mutts through the neighborhood.
