KurzbeschreibungIn Elsa Watson's Dog Days, struggling caf owner Jessica Sheldon volunteered to be the chairperson of Woofinstock, Madrona's annual dog festival, to overcome her reputation as "number one dog hater" in her dog crazy Northwestern town. Determined to prove her dog-loving credentials, Jessica rescues Zoe, a stray white German shepherd and in the process the two are struck by lightning. Jessica wakes to discover paws where her feet should be, and watches in horror as her body staggers around the town square. Zoe and Jessica have switched bodies. Learning to live as a dog is difficult enough, but Jessica's real worry is saving her caf from financial ruin. To complicate matters, she's falling hard for Max, the town veterinarian. It's clear that Zoe is thrilled to live life on "human terms," thoroughly relishing all of the fun and food Woofinstock has to offer. But Zoe is also anxious to use her new human skills to find her missing familywho may not want her back. And Jessica needs to confront a complicated figure from her past before she can move on with her life. Jessica and Zoe will need to learn from each other to set things right, and possibly find acceptance and love in the bargain.At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.Pressestimmen"Dog Days is everything I love in a book: funny, tender, beautifully crafted, and cleverly plotted, with a perfect twist of an ending I didn't see coming."
