Von MaryJanice Davidson : Doing It Right before purchasing it in order to gage whether or not it would be worth my time, and all praised Doing It Right:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Contains 'Thief of hearts' and 'Wild hearts'Von S. Fischer'Doing it right' is not a novel, but contains two novellas, 'Thief of

hearts' and 'Wild hearts'. 'Thief of hearts' is a novella Davidson wrote at the beginning of her career and which was unavailable for a long time. After her success with the 'Undead' series, it was republished but since it is relatively short and wouldn't fill a whole trade paperback (or justify the rather high price), she added the loosely connected (and even shorter) 'Wild hearts'. Both stories are romances with some eroticism and a lot of humour. 'Thief of hearts': Dr. Jared Dean is on night shift in the hospital when he witnesses a beautiful young woman beat up a big, tough mobster. She's Kara, the 'Avenging Angel', a kind of Robin Hood protecting the weak and fighting criminals. Since Jared's life is at risk from the mobster who wants to get rid of both Kara and the witness to their fight, she decides to protect him. The attraction between them is strong, but Kara has had a hard life and is afraid of letting anyone close to her heart. And then there's the police, who are also quite interested in The Avenging Angel... 'Wild hearts': When Kat does a citizen's arrest on the thief stealing her car, she doesn't know she will be drawn into an undercover operation against a man with a strong hatred towards her - or that she will find the love of her life in Chess McNamara... Both novellas are funny and entertaining, so I would recommend this book. What I'm less than happy with is that the publisher uses Davidson's popularity to publish two pretty short novellas as a trade paperback at an exaggerated price. Since you never know if the book will ever be published as a paperback you're stuck with an unnecessarily large and expensive book. That aside, I would recommend 'Doing it right' as light, romantic entertainment.

Kurzbeschreibung Lovers who'll steal everything. . . your wallet, your keys, your inhibitions, and sometimes even your heart. Thief Of Hearts There's never a dull night in the ER for Dr. Jared Dean, especially when the woman of his fantasies beats the crud out of the city's toughest mobster. It's enough to get a guy all hot and bothered. Kara, a/k/a The Avenging Angel, is sort of a Robin Hood with better shoes. But her latest stunt has the gorgeous doc on a mobster's hit list. There's only one thing to do: guard Dr. Jared's fine bod until she can figure a way out of this mess. . . Wild Hearts Gorgeous, absolutely gorgeous. Too bad he was trying to steal her car. Kat Wechter has no intention of letting that happen, but it's amazing what an irresistible bad boy can drive a woman to do (pun intended). And Chester "Chess" McNamara is not your typical car thief. Seems he's fueled (ouch) by more complicated motives. And to find out what they are, Kat is more than willing to go along for the ride. . . (couldn't resist). Praise for MaryJanice Davidson "Unwavering in her humor." --Romantic Times "Her sexy sense of humor is irresistible!" --Lori Foster From Booklist Originally released as an e-book, Davidson now brings this entertaining and erotic romance into print along with a short story. Doing It Right features a hunky ER physician who comes upon a gorgeous diminutive woman in an all-out brawl with a big thug. Before Jared can rush to her assistance, she vanquishes the thug and takes off. Jared follows. Can a thief known as the Avenging Angel and a good doctor find happiness together? "Wild Hearts" brings wealthy Kat together with undercover cop Chester when he tries to steal her Mustang. Both tales feature Davidson's snappy dialogue and zany humor.
