Von Dark Scribe : Domestic Bliss (Erotica Magazine Book 4) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Domestic Bliss (Erotica Magazine Book 4) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. nice magazine with 5 enjoyable and naughty short stories Von Samantha77 (I also wrote a review for "Risky Business" so i copied the parts about the magazines in general) First something about the paperback: the cover looks gorgeous! Good quality with glossy look. The 5 stories always start with a bit of backstory to paint a scene (which i enjoy) before coming to the naughty parts. What i like most about those magazines (i also bought "Risky Business", "Spooktacular Naughtiness" and "Holiday Hotspots") is that the author always gives each story a different feel to it. It's never just one story in 5 variations. This edition had 4 stories i loved and 1 i liked. My favorite one has to be "The Tutor" What gives the magazine a special touch are the short transitions between each story where the author addresses the reader, makes

little comments,..i love those little parts. They are charming and always manage to make me smile.So all in all: 5 stars because (once more): i would certainly buy it again :-)
