**Von Melanie Jackson : Dominion: A Reincarnation Romance (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dominion: A Reincarnation Romance (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 2 Kunden fanden die folgende Rezension hilfreich. a haunting tale of love and redemptionVon Deborah MacgillivrayWarning up front, this book nearly goes so slow for the first 100 pages you might give up. It is very well written, but the first 100 pages just does not capture the reader. It is so distant, does not invoke your emotions or make you care about the characters. BUTafter page 100 things take a

sharp turn and suddenly the book propels you along, and into the past lives of Dom and Laris, as the memories rise to the surface and pushes them to fight for their love or to lose it for all eternity. Jackson is always a beautiful writer, but think the first part really hurt the book. But I recommend stick through and enjoying this very interesting, thought provoke work on the question of love, past lives and how much do you really love - can you put yourself second to that love....once it moves into high speed it is breathtaking. The 4 stars is because of the slow start. Last two-thirds of the book would rate 5. Still one of the more original works in the genre and recommended!! WISE Writers and Readers Book of the Month August 2002

Kurzbeschreibung Sometimes it takes more than one lifetime to get it right... "Melanie Jackson is a talent to watch." -- WritersWrite.com When the Great One gifted Domitien with love, it was not simply for a lifetime. Yet in his first incarnation, Dom was not to find happiness. His wife and unborn child were murdered, and Dom himself swore never again to feel such pain. When Death came, he went willingly. The Creator sent him back to Earth to learn love in another body. Yet life after life, Dom refused. All he knew was that something was missing. Whatever name she took, whatever body she wore, he vowed to have his true love back. He would return her memories. He would explain why her dreams were haunted glimpses of his face, aching remembrances of his lips. He would protect her from the enemy he'd failed to destroy so many years before. And he would chase her through the ages to do so. This time, their love would rule. REVIEWS "An unusual romance for those with a yen for something different." -- Romantic Times FURTHER PRAISE "A wickedly sexy tale!" -- Christine Feehan, New York Times Bestselling Author (on *The Selkie*) "... delivers sizzling romance and ghoulish thrills at a breathtaking clip." -- Publishers Weekly (on *Traveler*) "Readers of Laurel K. Hamilton will enjoy this complex tale..." -- Booklist (on *Still Life*) ABOUT THE AUTHOR Melanie Jackson is the award-winning author of more than fifty novels, novellas and poems published in various languages.
