short story.

KurzbeschreibungPrivate Jeffers had seen something that he shouldn't have while passing the shower room one night. His own commanding officer was taking advantage of two subordinates. The scene flashed in the man's mind until he decided to tell someone, to make things right. Zack made a report, detailing what he had seen between all three men. When he was called in to discuss the matter though, he was given the impression that some things are just not said. Worse yet, his Lieutenant found out about the report and has a special punishment in mind for Zack. The young man is made to clean every shower house and bathroom on the entire base every night for a week. One night he notices a smooth-cut hole in the stall and his life changes forever. The punishment turns into a plan that Zack seems eager to fall right into. Enjoy this 6,000+ word gay Navy SEALs erotica, with steamy male/male action right now.
