Kurzbeschreibung Twelve years ago, forensic anthropologist Jamie Cash survived a brutal kidnapping, torture, and rape. After years of therapy, she has made a life for herself--though one that is haunted by memories of her terrifying past. She finally lets herself get close to a man, FBI agent Dakota Richards, when signs start appearing that point to one frightening fact--her attacker is back and ready to finish the job he started all those year ago. Can she escape his grasp a second time? And will she ever be able to let down her guard enough to find true love? Filled with heart-stopping suspense, gritty realism, and a touch of romance, Don't Look Back is the second book in the WOMEN OF JUSTICE series. Readers will be hooked from the beginning, finding that once you are in Lynette Eason's world, you're trapped until you turn the very last page.
