Awesome ending to the Pearl Island trilogy.Von Detra FitchAdrian St. Claire was the sexy chef at the Pearl Island BB.

he was also more sexy, luscious, and tempting than a whole box of Godiva chocolates! In fact, he had never had a woman tell him no, until he met Jackie. Adrian's family knew that BB was haunted by the ghosts of their ancestor, lovely Marguerite Bouchard and her pirate captain, Jack Kingsley. In order to help the ghosts rest at last, they needed to search the cove for a legendary heirloom which was last seen going down with Jack's ship so long ago. To find the treasure, they needed the help of Jack's ancestor, Jackie, who possessed a certain letter that held the key to success. Jackie Taylor was the owner of the small ship Pirate's Pleasure. With the well known history of her deceased father conning most everybody in treasure hunting scams, she was barely able to get by. She learned long ago not to rely on anyone else and never to get her hopes up. Adrian was drop-dead gorgeous and Jackie was not immune to his good looks. However, she did know better than to even consider getting involved romantically with him and all his casual flirtations. And Jackie made it her personal business to deflate his too-healthy ego a bit. Enticed by Jackie's resistance, Adrian found himself coming back for more. Soon he wanted more than just harmless flirting and he was never a man who took no for an answer. ***** In the author's previous books ("Falling For You" and "Lead Me On"), I witnessed Adrian's sisters fall in love, change the mansion into a wonderful BB, and the family brainstorm on how to help Marguerite and Jack's ghosts find peace. Now it is Adrian's turn and I say, the author saved the best for last! Adrian's ego was getting too big and Jackie was the stubborn spitfire to tame Adrian. This is the perfect ending to the trilogy and I very highly recommend it! *****0 von 0 Kunden fanden die folgende Rezension hilfreich. Einfach Klasse!!! Von Brigitte Ich kann alle 3 Bnde der Island-Trilogie nur empfehlen. Sie stehen in meiner Sammlung an 'Romance'-Bchern auf den oberen Pltzen. Sowohl die Stories sind mal was anderes als auch der wirklich spritzige Schreibstil von Julie Ortolon sind einfach erfrischend. Alle 3 Bcher sind absolute Pageturner und ich war echt geknickt, als ich sie gelesen hatte.

Kurzbeschreibung Sexy romance with lots of heart. Jill M. Smith, Romantic Times...sizzling, in and out of the kitchen. This is one terrific story full of enough adventure, humor, and passion to satisfy any reader Betty Cox, *Affair de Couer* ~~~ When an irresistible man meets an independent woman, the chase is on! Adrian St. Claire, the sexy chef at the Pearl Island BB is as tempting as the dishes he serves. In fact, he's never had a woman tell him no until his family needs help searching for a legendary heirloom on the sunken ship in the islands cove. To find the treasure they need the help of a woman whose family history is as linked as theirs to the islands romantic past. As the owner of the Pirates Pleasure, Jackie Taylor is far more interested in running her cruise ship along the Texas coast than chasing tales of lost booty, and even less interested in tangling with a man who collects female admirers just by walking down the street. On top of that, helping the St. Claires could dredge up secrets shed like to remain buried. Enticed by Jackie's resistance, Adrian soon has something more than treasure hunts and casual flirtation in mind . . . and he's not a man who takes no for an answer. But will they each have the courage to risk their hearts for the greatest treasure of all falling in love? *Pressestimmen* "An author on the rise...endearing, emotional and romantic!" -- "Romantic Times" "Julie Ortolon has perfected the art of the male/female relationship." - Virginia Henley Kurzbeschreibung Sexy romance with lots of heart.
