Von Diana Palmer : Donovan (Long, Tall Texans) before purchasing it in order to gage whether or not it would be worth my time, and all praised Donovan (Long, Tall Texans):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Diana Palmer does it again.Von P. HsiehEven though Palmer relies on her old formula of cowboys and damsals in distress, she's one of the best at it. This time the cowboy is Donovan (J.D.) Langley and the damsals is Fay York, a city girl out west for the first time. The story starts when he rescues her at a bar and continues to rescue her when it appears that her money (inherited from her parents) might be in jeopardy. However, the focus of the story in on their relationship and Palmer does a good job of showing how they fall in love over time. Neither character is all they seem and the discover and explore each other. The setting is in Jacobsville and a number of familiar characters make guest

appearances which return readers will appreciate. Those looking for classic Palmer need look no further.

Kurzbeschreibung"Anything worth having is worth fighting for..."From the moment the elegantly dressed society woman walked into the bar on the wrong side of town, rugged Texan Donovan Langley knew she was troubleand just the type of woman he'd vowed to avoid. But the lovely Fay York awoke a tenderness in him that he'd never known...and a yearning for something he could never have. The electrifying instant Fay gazed into a pair of glittering silver eyes, she fell hard for Donovan. Even though the rough-and-tumble cowboy was determined to keep his heart from her, he needed Fay. And it wasn't such a big step from needing to loving....Kurzbeschreibung"Anything worth having is worth fighting for..."From the moment the elegantly dressed society woman walked into the bar on the wrong side of town, rugged Texan Donovan Langley knew she was troubleand just the type of woman he'd vowed to avoid. And it wasn't such a big step from needing to loving....Synopsis From the moment the elegant woman walked into the bar, rugged Texan Donovan Langley knew she was trouble. But Fay York awoke a tenderness in him. The instant Fay gazed into his eyes, she lost her heart forever, but the cowboy was determined to keep his distance. Until he made her a proposal she couldn't refuse.
