Von Lori Wick : Donovan's Daughter (The Californians) before purchasing it in order to gage whether or not it would be worth my time, and all praised Donovan's Daughter (The Californians):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Disappointing finaleVon KathyI thoroughly enjoyed the first three books of this series. I fell in love with the characters in Santa Rosa, and I was disappointed to see that they are hardly mentioned in this book. Although having

Marcail move to a different city is a good way to show her independent spirit, I would have rather have read about the characters I became familiar with, instead of new ones like Allie and her family, who weren't developed at all. This book and Pretense are the only Wick books that have ever disappointed me, and I have read nearly all. She will continue to be one of my favorite authors, and I can't wait for her next book!

Von Bonnie McKinzie Frightened of doctors ever since her mother died when she was 9, Marcail sets out on her own to teach school. Providence has her caught in a snow storm and found by a doctor....who just happened to be in love with her, but she is afraid of him and keeps him away. Scandalous and outcast in her town, she has to make the hardest decision of her young life.....and the book was wonderful as always of Lori Wick. I am sorry to have this series end!

Von Ein Kunde I didn't think that there could be any greater book than The Hawk and The Jewel. But after reading Donovan's Daughter, my opinion has changed. Donovan's Daughter opened a world of thought for me. I don't think that Lori Wick could have done any better with it! If she ever does, somebody tell me!

Kurzbeschreibung Lori Wick's bestselling series The Californians (more than 500,000 copies sold) has a fresh new cover design to delight avid Lori Wick fans and readers just introduced to Lori's beloved fiction. When an angry snowstorm forces Marcail Donovan to seek shelter for the night at the town doctor's house, the pretty new schoolteacher is thrust into a scandal that threatens her career. The unfortunate but innocent circumstances bring harsh condemnation to Marcail, but the compassionate bachelor doctor offers her a way to remain the town's teacher. Now she must face an inner turmoil worse than any storm. Is Donovan's Daughter willing to give up her own dreams to bring God's love to the children she teaches?
