KurzbeschreibungDont Judge a BookOpposites attract in the most passionate of ways.Bookworm Rhys Middleton lives in the idyllic town of Hawks Bridge and spends his days working at the local library, his evenings quietly reading. He thinks its all about books and even the occasional interruption real life throws his way cannot change his beliefs.Its a rude awakening for him when car thief Darren Dewhirst arrives to do his community service, turning Rhys world upside down. Rhys thinks the man is uneducated, only to find him reading classics. He expects him to behave like the criminal he is, only Darren doesnt. Rhys isnt exactly out and proud, while Darren is in denial about his sexuality and hangs around with the sort of people who wouldnt tolerate a relationship between him and Rhys.They are wrong for each other on so many levels, yet rejection only makes the need greaterScarlet BlackwellAbout the Author: Scarlet likes cats and hats and firmly believes that the only thing better than one attractive man is two attractive men.KurzbeschreibungDont Judge a BookOpposites attract in the most passionate of ways.Bookworm Rhys Middleton lives in the idyllic town of Hawks Bridge and spends his days working at the local library, his evenings quietly reading.
