Von Linda Cajio : Doorstep Daddy (The Holiday Heart) before purchasing it in order to gage whether or not it would be worth my time, and all praised Doorstep Daddy (The Holiday Heart):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Funny, funny, funny!Von Ein KundeI just love Linda Cajio's books! No one writes humor like Ms. Cajio; her books absolutely sparkle. This one is a particular delight. The kids are hilarious, the hero to die for, and the romance first rate. I have only one other word to say: More!

Kurzbeschreibungthe holiday heartRichard HolidaySingle, sexyand up to his ears in dirty diapers and raging

hormones, toddlers and teenagers and kids in between! Becoming an instant single dad put a major crimp in Richard Holiday's bachelor style. But the liveliness of three happy children made his house feel like a home for the first time ever. Now, everyone told him, there was only one thing missing: a wife. Callie Rossovich was a natural mom to the children, but all woman to Richard. She'd ignited a passion in him that he'd never known and that he intended to hold on to forever. But while Richard had embraced fatherhood, was he ready to give up bachelorhood?
