Von L. Frank (Lyman Frank) Baum : Dorothy and the Wizard in Oz (Oz Series Book 4) (English Edition)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Dorothy and the Wizard in Oz (Oz Series Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A Quixotic Return for Dorothy and the Wizard...Von Ein KundeThis is one of my favorite Oz books. We see Dorothy and the Wizard reunite, of course, but there are some interesting things going on. The Wizard has become a grand character; Baum has thrown his own nature into him and has made him real to us. The Wizard is now a resourceful,

sometimes devious, sardonic, yet compassionate man. The story delves into the bizarre with the Glass City and its vegetable people (and their gruesome demise). The Gargoyles are quite disturbing in their emotionally hollow, wooden world. The Braided Man of Pyramid Mountain provides dry humor (here we see Baum's love of puns). Essentially this is one of the more original works of Baum, with quixotic new characters, and further development of those we already knew. I think perhaps Ozma comes into her own in this novel; she is what a queen should be, loyal to her subjects, but not above the law; she is regal, kind yet firm, passionate and loving. Baum has created a fearsome yet beautiful personage in Ozma. This is a great read; I would suggest it to non-Ozophiles so that the MGM movie can be challenged, and the true Oz can be appreciated in its majesty of fantasy, humor, horror, and splendor.

1 von 1 Kunden fanden die folgende Rezension hilfreich. Dorothy, the Wizard, and Zeb fall below the earth. Von Ein Kunde. This is an excellent book! In it, Dorothy and her cousin Zeb fall underground in an earthquake. To their surprise, they meet the wizard! In a series of adventures, they go through the land of the horrible vegetable Mangaboos, the invisible Valley of Voe, and climb a staircase for miles until they are almost to the surface of the earth. They end up in a cave and discover that they can't progress any farther. Ozma ends up transporting them to the land of Oz; when they get there, though, they aren't very happy. They realize that they really like it best where they belong, at home. I highly recommend this book!

SUBMITTED BY: Sarah Hall age 130 von 0 Kunden fanden die folgende Rezension hilfreich. Sollte man gelesen haben. Von Katha9. Da in diesem Jahr ein neuer Film über Oz in die Kinos kommt, habe ich mich endlich dazu entschlossen das Original zu lesen. Eine deutsche Übersetzung ist mir allerdings auch nicht bekannt. Erleichtert wurde die Sache, weil dieses Werk kostenlos für den Kindle zur Verfügung gestellt wird. Dorothy wohnt in Kansas bei ihrer Tante und ihrem Onkel. Bei einem Wirbelsturm wird sie mit dem Wohnhaus und ihrem Hund Toto fort gewirbelt und landet im magischen Land Oz. Bei der Landung wird eine böse Hexe des Landes Oz unter dem Haus begraben. Dorothy lernt verschiedene magische Figuren kennen und kommt zum Zentrum von Oz, das von dem bösen Zauberer regiert wird. Der böse Zauberer verspricht ihr, sie wieder nach Kansas zu bringen, wenn sie die zweite böse Hexe tötet. Die Bücher von Oz sind Kinderbücher und leicht zu lesen. Sie sind sehr spannend auch für Erwachsene. Fazit: Empfehlenswert für alle Altersklassen! Auch prima zum Englisch-Lernen.
