**Von Susan Mac Nicol : Double Alchemy (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Double Alchemy (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Double AlchemyVon -KundeAs a fan of everything mystique and magical I looked forward to read Double Alchemy and I wasn't disappointed.There's a strong love story between Quinn Fairmont, the leader of all Warlocks, and Cade Mairston an water sprite who wasn't aware of his power until he met Quinn.Their first "date" is hot, wild and almost violent but they fast build a deep and strong relationship, which is almost immediatly threaten by a witchfinder and an old enemy from Quinn's past.Quinn, like every Warlock was paired up with a withinner since he was a child, but

Taliesin's disability to see how deep and strong Quinn and Cade's love was, even if they met only weeks before, complicated their relationship. I really enjoyed the world the author has created, I loved the complex characters, especially Cade with his caring, sometimes childish behavior. This book held my attention from beginning to the end and I'm looking forward to read the next book, where hopefully all unanswered questions are answered and the love story between Cade and Quinn will continue.

**Kurzbeschreibung** Powerful yet tormented modern warlock Quinn Fairmont must initiate the silver-eyed Cade Mairston into the world of witchfinders, Withinners, and what can happen when two men fall truly, madly, deeply in love. **THE WORLD IN SHADOW** In modern London there lurks a warlock, Quinn Fairmont. Dangerous, powerful, tortured, sharing his body with the soul of an ancient Welsh sorcerer, Quinn is never alone and never wholly himself. He fights against all those who would exploit his kind. He takes pleasure where he can find it. In the forest of Hampstead Heath, Quinn's hometown, Cade Mairston appears to him like a waking dream. Lithe, lean and silver-eyed, he evokes feelings in Quinn unlike any other: lust with true affection, immediate and shocking. Cade is clearly more than he seems. And yet, if a man of the world, Cade is innocent. He knows nothing of warlocks, witchfinders or Withinners. He knows nothing of what he is, what he might be, or what he might feel. For him, the story is just beginning. Magyk, peril and passion await. More awaits in book two
