Von Ali Brandon : Double Booked for Death (A Black Cat Bookshop Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised Double Booked for Death (A Black Cat Bookshop Mystery):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Nett zu

lesen, macht Spaß, auch und vor allem für Katzenliebhaber! Von Annette B. Ist leicht geschrieben, stellt keine großen Ansprüche, schöne Betlektüre! Habe das danach folgende Buch zuerst gelesen und habe mir dann auch diesen 1. Band geholt, weil mich die Vorgeschichte interessiert hat. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Interesting..... Von Jeanne Adamek I really liked this book. I loved Darcy, and enjoyed her sense of humor quite a bit. I figured out the mystery quite early but this didn't dampen the total enjoyment of the book. I will continue to read this series. I hope there will be more mention of Mary Ann as I loved this quirky character...

Kurzbeschreibung Darla Pettistone left Texas for New York after unexpectedly inheriting her Great-Aunt Dees Brooklyn bookstore. She didn't know that the store's mascot Hamlet, an oversize black cat with a personality to match, was also part of the deal. And he may be more trouble than Darla bargained for. As the new owner of Pettistone's Fine Books, Darla Pettistone is determined to prove herself a worthy successor to her late great-aunt Dee and equally determined to outwit Hamlet, the smarter-than-thou cat she inherited along with the shop. Darla's first store event is a real coup: the hottest bestselling author of the moment is holding a signing there, which brings hordes of fans and some protestors. But when the author meets an untimely end during the event, it's hardly good for business, even though it's ruled an accident until Hamlet digs up a clue that seems to indicate otherwise. Now Darla fears a killer might be lurking about. Can the interfering Hamlet point the paw at the culprit without losing one of his own nine lives? From the Paperback edition. **Pressestimmen** A fun mystery that kept me guessing to the end! Rebecca M. Hale, New York Times bestselling author of the Cats and Curios Mysteries An engaging new series, most definitely the start of something great. Sandra Balzo, award-winning author of the Maggy Thorsen and Main Street Mysteries A charming, cozy read. Elaine Viets, author of the Dead-End Job Mysteries **Kurzbeschreibung** Darla Pettistone left Texas for New York after unexpectedly inheriting her Great-Aunt Dees Brooklyn bookstore.
