Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr empfehlenswert! Von Ein Kunde Wenn zwei Vampire nach zweihundert Jahren noch eine Rechnung offen haben und ein ex-Cop ins Spiel kommt, ist das Drama vorprogrammiert. Während der eine zurückgezogen auf dem Land als Inhaber eines kleinen Hotels lebt und plötzlich in seiner Idylle mit einem Haufen unauflösbarer Morde konfrontiert wird, ist der andere dafür verantwortlich. Jaye Roycraft kann schreiben, was sie will - es ist immer atemberaubend und lückenlos. Zwar ist es der Klassiker "guter Vampir" gegen "böser Vampir", aber es ist einfach unglaublich gut geschrieben. Sogar

ein bisschen romantisch wird es- neben all den blutigen Spuren. Ein Buch, welches man besser in einem Zug durchliest- das knnte durchaus eine Nachtschicht werden! Der Showdown lsst einen fast die alte Gewohnheit des Ngel-Kauenes wieder zurckerobern.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr empfehlenswert! Kurzbeschreibung Vampire Dalys Aldgate has been a survivor for 235 years. Life as an Australian convict has sharpened his survival skills, but the bush also bestowed him the ultimate gift of survival a journey to the Other Side. With his soul left behind, Dalys became a mirror on to which humans project their fantasies, never seeing the monster on the other side. In present day Mississippi, using one of his many aliases, Dalys lives a reclusive life as the owner of a haunted inn until his even more haunting past catches up with him. Ex-cop Tia Martell is trying to adjust to life after the job and put the years of violence and death behind her. While on a freelance photography assignment to shoot antebellum mansions in Natchez, Mississippi, murder brings her face to face with Dallas Allgate, the coldest, yet most fascinating man Tia has ever met. Before Tia can unravel the mystery of the man with the hypnotic eyes, a young vampire and his master, Jermyn St. James, seek him out for revenge. St. James only wants Dallass true death . . . until he sees Tia. Now, he wants her, too. One of them will have to make the ultimate sacrifice. But will Dallas let Tia make her own choices, or will he bend her will by projecting her fantasies upon his . . . Double Image. Jaye Roycraft, a former Milwaukee police officer, has incorporated her police procedural knowledge and experience into her books, beginning with her debut novel Rainscape. A combination of romance, mystery, and science fiction, Rainscape was followed by the vampire romance series Double Image, Afterimage, Shadow Image, and Immortal Image and the hard-edged vampire series Half Past Hell and Hells Warrior. Jaye has presented workshops both online and at conferences, has been a contest judge, and has been a featured panelist at Dragon*Con. Jaye now lives in Arizona where she is happily retired in the Valley of the Sun. Kurzbeschreibung Vampire Dalys Aldgate has been a survivor for 235 years.
