Von Maggie Kavanagh : Double Indemnity (The Stonebridge Mysteries Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Double Indemnity (The Stonebridge Mysteries Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great crime story and a hot romance!Von From Top to Bottom ReviewsDouble Indemnity combines a great crime story and

a hot romance in one book. I loved the mystery side of this story because it was definitely captivating. I was hooked from the first page until the very end, coming up with theories and trying to solve the case with Sam. (Although at the end I was wrong in who I thought was the murderer.) I like that Ms Kavanagh took her time to develop the relationship between Sam and Nathan and gave us a chance to first get to know both of them as individual characters before they build a relationship. The romance was slowly built but never boring and I think the pacing was just right. I'm really looking forward to more by this author!

KurzbeschreibungThe Stonebridge Mysteries: Book One Sam Flynn dreamed of being a journalist, until a car accident killed his parents and put his brother into a long-term coma. Now Sam spends his days as a landscaper, toiling in the New England sun, and his nights drunk in bed with the closest warm body. In his limited spare time, he writes about Stonebridge's local crime and politics on his blog Under the Bridge. Then Sam's favorite client is found dead in her home shortly after telling him someone has betrayed her trust. Sam can't believe her grief-stricken husband, Nathan, would be a suspect, but the investigation focuses on him. Sam has always admired handsome Nathan from afar, but now he puts his libidinous feelings aside to help clear his name. But the closer he gets to Nathan, the more he's told to keep away from him and the investigation by the fatherly police chief, by an officer on the case who's hated him since school, and by Nathan himself. Sam is determined to expose the real reason his friend died and to clear Nathan's name even if it's the last thing he does. Which, considering how fast the death toll is rising in Stonebridge it might be.
