Empfehlung! Von -Kunde Dies war mein erstes Buch von Nathan Lowell und ich habe es verschlungen. Man findet sich sofort ins Buch ein und versinkt in dieser mal ganz anderen SF-Welt. Ja, es ist nicht der bliche SF-Roman, in dem Aliens angreifen und groe Weltraumschlachten sich vor Aktion berschlagen, aber genau das macht dieses Buch besonders. Es geht um das Leben eines normalen Menschen, seine Entwicklung, intelligente Charakterentwicklung, die Herausforderungen des Alltags und nicht nur der tolle (vllig oberflhliche, Macho-) Held, der die Welt im Alleingang rettet und alle Gefahren ohne Kratzer meistert. Das Buch ist auf seine eigene Art fesselnd und ich kann es nur empfehlen! Ich habe inzwischen alle von Nathan Lowell verffentlichen E-Books gelesen und fand sie alle groartig. Ein Autor dessen Bcher man freiwillig nicht wieder aus der Hand legt. 0 von 2 Kunden fanden die folgende Rezension hilfreich. Schnarch... Von DIMI Absehbar ereignislos. Man liest und liest und liest und hofft auf irgendeine Entwicklung oder Pointe, aber es kommt nichts. Htte Anklge an Adalbert Stifter, wenn der Autor besser schreiben knnte. Kann er aber nicht.

Kurzbeschreibung An inexperienced officer. A dysfunctional ship. Life in the Deep Dark just got a whole lot harder. In his first assignment as an officer, Ishmael Horatio Wang finds himself fresh out of school, wet behind the ears, and way out of his depth. Aboard the William Tinker the senior officers are derelict and abusive, the crew demoralized and undisciplined, and change unwelcomed and dangerous. Can Ishmael use what he learned aboard the Lois McKendrick to help the crew find the ship's heart? Or will he discover that bucking the system may come at too high a price? Return to the Deep Dark with Ish in this fourth installment of the award winning Solar Clipper Series as he makes the transition from crew to officer. "Fans of Nathan Lowell's Solar Clipper series are legion, and for just cause. Each book provides another chapter in the life of one of the most endearing characters to come along in recent memory. Nathan demonstrates that supurb story telling doesn't require massive space battles or warring aliens, just great characters and a knack for spinning a really compelling tale." --Michael J. Sullivan, author of the Riyria Revelations Finalist 2009 Parsec Award for Best Speculative Fiction (Long Form) Kurzbeschreibung An inexperienced officer. A dysfunctional ship.
