Avenue. Her estranged twin sister, Lana, seldom contacted Kait during their seven years apart. In fact, Kait never knew WHY Lana hated her and disappeared those long years ago. But Kait had always hoped Lana would someday return and they could be close. So when Lana called in the middle of the night, begging for help, Kait agreed. Lana claimed to be in trouble. She needed Kait to pretend to her for two days. After that, all would be fine and they could talk, become friends. Kait jumped at the chance to help her sister. Kait learned that Lana married six years ago to wealthy Trevor "Trev" Coleman, lived in Three Falls, Virginia, and had a four year old daughter named Marni! It was overwhelming to say the least. Kait went to Lana's home, ready to play the part of Lana. No one in Three Falls liked Lana. It seemed everyone HATED her with a passion. Everyone who resided at the estate called Fox Hollow hated her. Within minutes of walking through the doors Trev handed her divorce papers! Feeling as though she was in the 'Twilight Zone', Kait had been thrown into a nightmare! Things got worse when Kait began falling in love with her sister's husband and someone was trying to kill her!***** What can I say? It is by Brenda Joyce. No other reason is really needed for you to know the story is great! The book grabbed me immediately and the characters are terrific. You will NOT be disappointed in this novel. Highly recommended! *****

Kurzbeschreibung From New York Times bestselling author Brenda Joyce comes an alluring novel of a woman's dangerous quest to protect her twin sister---and the secrets, lies, and deceptions that threaten them both...Kait London has been estranged from her twin sister for years. She has never understood why and has always regretted it. When her phone rings in the middle of the night, Kait learns that Lana desperately needs her help. All Kait has to do is take her place, for two days, at her home in the horse country of Virginia. If Kait can play this role convincingly, she will save Lana's life. This is a game the twins have played before. But never like this. For the charade is much more difficult to pull off than when they were children. Lana has many secrets, secrets she has kept from everyone, including Kait---and she has as many enemies---including her own husband. Kait had not been expecting Trev Coleman to be in residence. Worse, she is soon forced to recognize how darkly seductive he is---and that he may very well be her worst enemy. And then Kait realizes that she is directly in the line of fire. Someone is deliberately stalking Lana, but Kait is the trapped prey. Filled with stunning twists and turns, with mind games and body heat, Double Take is a taut romantic thriller from an author who delivers one surprise after another until the very last page.
