language, idea and speed is just a great read.

Kurzbeschreibung In Charles Stross' novel *The Atrocity Archive* and its sequels, the Laundry is a secret British agency responsible for keeping dark interdimensional entities from destroying the cosmos and, not incidentally, the human race. The battles with creatures from beyond time are dangerous; however, it's the subsequent bureaucratic paperwork that actually breaks men's souls. Now, in *Down on the Farm*, Laundry veteran Bob Howard must investigate strange doings at another obscure, moth-eaten government agency, evidently a rest home for Laundry agents whose minds have snapped. Charles Stross is the Hugo-winning author of some of the most acclaimed novels and stories of the last ten years, including *Singularity Sky*, *Accelerando*, *Halting State*, the "Merchant Princes" series beginning with *The Family Trade*, and the story collections *Toast* and *Wireless*. In 2010, his Laundry story *Overtime*, published on Tor, is a finalist for science fiction's Hugo Award.
