Von P D MacDonald : Down where the sharks swim (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Down where the sharks swim (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Krimi und RomanzeVon Gundula RehbeinDer Krimi, der ebenso eine Liebesgeschichte ist, lohnt sich zu lesen. Er ist in leicht zu lesendem Englisch geschrieben. So'n richtiger Schmker und spannend bleibt es auch bis zum letzten Kapitel.

Super, freu mich auf das nchste Buch von PD MacDonald.

Kurzbeschreibung "A terrifying psychological thriller which will keep you gripped until the shock ending." Rachel is an attractive confident woman who is the victim of a vicious acid attack. She then has to deal not only with the emotional and physical trauma of her injuries but a growing frustration with the police investigation into the incident. Her boyfriend is arrested and charged but she finds evidence he has been set up. Worst still she realises her real assailant is still out there and may be planning to finish what they started
