Von Elizabeth Bevarly : Dr. Irresistible (Desire, 1291) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dr. Irresistible (Desire, 1291):

He kept talking to himself about his looks, brains, women, what a great catch he was...YECH! Prudence was a bumbling priss. Shown as klutzy and scattered, she is also an R.N. and a single mother. (Not very inspiring!) Her only redeeming quality was she became an ice princess around Dr. Revolting. I hoped Prudence would deck him and tell him to get lost. I sure didn't want to see her give in or fall for him. I have to assume the book gets better, but I took an INSTANT dislike to these horrid characters. Proceed at your own risk!0 von 0 Kunden fanden die folgende Rezension hilfreich. Great fun readVon pontmarieI enjoy Elizabeth Bevarly's books and this was no exception. It's a sort of sequel to "A Doctor in

her Stocking" which tells the story of Seth's best friend Reed. In Seth's book, he plays husband to nurse Prudence Holloway, who is going to her high school reunion, and in the process, they fall in love.0 von 0 Kunden fanden die folgende Rezension hilfreich. Fast-paced, fun read! Von Joanne Rock Dr. Irresistible delivers all the best qualities of an Elizabeth Bevarly romance-- fun characters, quirky humor and fast pace. Save this book for an evening when you can enjoy it start to finish!

Kurzbeschreibung His fantasies never involved having a family--until Seth met nurse Prudence Holloway and her baby. So when Pru needed a one-night groom, he gallantly offered his husbandly services. Pru might have done some irresponsible things in her life, but falling for Seth--aka Dr. Insufferable--would not be one of them. Unless, of course, Dr. Dangerous was serious about becoming a Dr. Daddy... Kurzbeschreibung His fantasies never involved having a family--until Seth met nurse Prudence Holloway and her baby.
