LemmFr alle, die den "echten" Dracula von Bram Stoker kennen, ist dieses Buch so aufregend, weil der verliebte Vampir ein paar sehr interessante Ausreden findet. Den Tod der schnenLucy van Helsing anzuhngen, weil er offensichtlich nichts von verschiedenen Blutgruppen wusste -tolle Idee! Und - da man ja noch nichts von

unterschiedlichen Blutgruppen wusste, dieses Wissen auf den unterschiedlichen "Geschmack" des Blutes zurückzuführen - brilliant! Auch kann man sich gut in die emanzipierte Mina hineinversetzen, die sich ständig mit Engstirnigkeit und Verklemmtheit auseinandersetzen musste. So kann man nachfühlen, warum sie sich zu dem offensichtlich klugen, gebildeten, weltgewandten und aufgeschlossenen Dracula sehr hingezogen fühlt. Ich habe viel Spaß beim Lesen dieser romantischen Geschichte gehabt und kann sie nur empfehlen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Delightful Von Sorion Delightfully different angle to Bram Stoker's work. Some questions are being answered, and all characters are being questioned. The ending is both satisfactory and intriguing.

**Kurzbeschreibung** Author Syrie James (*The Lost Memoirs of Jane Austen*) offers readers a breathtaking new perspective on Bram Stoker's classic tale of the king of the vampires with *Dracula, My Love*. In these Secret Journals of Mina Harker, the object of Dracula's desire relates for the very first time the shocking story of her scandalous seduction and sexual rebirth. This is not the chaste vampire romance of *Twilight*; *Dracula, My Love* celebrates a passionate obsession in all its hot and sensuous glory. **Pressestimmen** With its poetic, 19th-century prose style, this tale about a fierce, forbidden romance will appeal to even the most jaded romance fan. (Library Journal) This very romantic side to *Dracula* is powerfully sensuous and masterfully told... Should sit side by side with Bram Stoker's *Dracula* on your keeper shelf. (singletitles.com) 5 stars. Poignant, passionate, and powerful... Critically acclaimed and bestselling author, Syrie James, once again transports her readers back in time and enchants them ... Truly outstanding! (Austen-esque s) We enter Mina's psyche... and likewise develop an understanding of Dracula's motivations. This insight explains why a human woman and a monster would literally ache to be with one another. I was exhilarated, enthralled, and completely mesmerized. Vampire book lovers will absolutely love this book. (Bestfantasystories.com) *Dracula, My Love* had me hooked immediately. Filled with suspense and romance, it had me on the edge of my seat the entire time. It was incredibly well written and I couldn't put it down. Syrie James paints an amazing picture of *Dracula* that left me both infatuated and appalled. (LitFest) Only Mina Harker, who once fell under the seductive spell of literature's most famous vampire, knows *Dracula's* true story. James gives readers an intriguing alternate theory as to the events that occurred in Stoker's classic horror tale while at the same time delivering a spooky yet thoroughly romantic love story. (Chicago Tribune) This remarkable story twists and turns with every page ... The story unfolds with fast-paced action, well-written dialogue, and historical events mixed in with a truly remarkable love story that keeps the reader glued to every page. Another hit (for Syrie James)... right out of the park. (Feathered Quill) Must read... I love the way this book was written... Both love stories (Mina and Jonathan/Mina and *Dracula*) have such depth... I became so caught up in the story that I wasn't sure who I wanted Mina to end up with... A really emotional love story. Rating: 9 (Excellent) (The Season For Romance) An excitingly dark tale with a romantic twist... a page turner from start to finish. The author has given *Dracula* something that is missing in earlier novels: a heart and soul... Like a vampire draining his latest victim, I sucked down every juicy detail of *Dracula, My Love*. (Stephanie's Written Word) What really happened between Mina and *Dracula*? Syrie James provides her own provocative interpretation in the exciting *Dracula, My Love*... She keeps the suspense level high, so that even readers familiar with the original story will be furiously turning pages to see what happens next. Excellent novel. (Bitten By Books) Syrie James paints a vivid picture of woman in the grip of dark passion. If you think you know the legend, her thoroughly modern Mina will surprise and delight you. It's a dark and sizzling romance for hot summer days and nights.
