Von William Gareth Evans : Dracula - The Devil's Nosferatu: Volume 2 of the Glass Darkly Gothic Vampire Series (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dracula - The Devil's Nosferatu: Volume 2 of the Glass Darkly Gothic Vampire Series (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Bram Stoker would be proud Von Ian StraIf you like vampire stories this novel is a must! There are elements from Bram

Stokers Dracula and the story is exciting up to the very end.I would definitely recommend it!

KurzbeschreibungUntil the nineteenth century, scant information existed concerning the ethereal species, known as Nosferatu, Vampire or the un-dead. These were the earliest of times in which modern man battled a very ancient enemy. Only distorted mythical accounts survived in East European and Celtic folklore that gave any clue to the existence of humanitys past battles with the preternatural creatures. Sparse methodology remained of the procedures employed to counter their attacks. This was the age of discovery for those few brave individuals that dared to confront the damned perpetrators of a hellish plague.
