magical word created by Laura Gilman

Kurzbeschreibung In my time with PUPI, formally known as Private, Unaffiliated Paranormal Investigations, I've seen a lot. Learned a lot. And not all of it's been good. But what we do make people accountable for crimes committed with magic is important work. Still. Even I need to take a break every now and again. Or so I've just been told (ordered). So hey, vacation. Maybe I'll finally figure out what's going on with the "special bond" between me and the boss man, Benjamin Venec. Venec seems to like that idea he's invited me down to join him on a jaunt to Philly. But no sooner do I arrive in the City of Brotherly Love than we're called in to look at a dead body. And that's when life gets really complicated. Pressestimmen "A highly entertaining series...set in a world where a secret society of magic users exists alongside our own." -NPR "Layers of mystery, science, politics, romance, and old-fashioned investigative work mixed with high-tech spellcraft." -Publishers Weekly (starred review) on Pack of Lies Kurzbeschreibung In my time with PUPI, formally known as Private, Unaffiliated Paranormal Investigations, I've seen a lot.
