**Von Daniel Arenson : Dragonlore: The Complete Trilogy (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dragonlore: The Complete Trilogy (English Edition):

The Moth Saga started interesting until the author used the same plot to continue the story. When I bought the first "Requiem" books, it was the same plot again just different setting and characters. So I thought the Dragonlore might be a different story. Far from it. Here we go again, same plot! The

creatures he invents just get more hideous. Another irritating fact is that Arenson keeps repeating things so often, I got the feeling he was just trying to fill the pages. I really do not understand why this author has been praised.0 von 0 Kunden fanden die folgende Rezension hilfreich. Thrilling, gloomy but still hopeful! Von Anja T. After first reading 'tears of requiem' i was so fascinated about Daniels writing style, so i just bought most of his other books. the action of 'Dragonwar: the complete trilogy' takes place a few hundred years later after the Song of dragons which i mentioned earlier. It's even more gloomy and thrilling...

Kurzbeschreibung Dragonlore, an epic fantasy trilogy, tells the story of Requiem -- an ancient kingdom whose people can grow wings, breathe fire, and take flight as dragons. This collection includes all three Dragonlore novels. Book 1: A Dawn of Dragonfire -- Queen Solina, a desert tyrant, leads an army of phoenixes. She invades Requiem, vowing to destroy it. Requiem's people can become dragons, but how can they defeat the phoenixes, beasts woven of sunfire? Book 2: A Day of Dragon Blood -- Solina raises new champions: the wyverns, creatures of iron scales and leathern wings. From their maws spews acid to eat through stone, steel, and dragon flesh. When the wyverns attack, can Requiem survive? Book 3: A Night of Dragon Wings -- Vowing to kill every dragon, Solina summons her greatest warriors: the nephilim, the spawn of demons and their mortal brides. As ancient evil engulfs the world, Requiem's dragons roar, blow their fire, and fly to their last stand. In 2011, the Song of Dragons trilogy introduced readers to mythical Requiem. The books went on to sell hundreds of thousands of copies, captivating readers around the world. Now a new dawn rises. Dragonlore returns to Requiem with an epic story--for both new readers and old fans--of blood, steel, and dragonfire.
