Von D'Elen McClain : Dragons Don't Cry: Dragon Shifter Romance (Fire Chronicles Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dragons Don't Cry: Dragon Shifter Romance (Fire Chronicles Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fairytale for grownups! Von CoffeeAndBooks*** I have received an ARC via NetGalley ***This was a fairytale for

grownups!The legend of a virgin sacrifice and her fiery dragon always intrigued me and the book Dragons Dont Cry retold it in a romantic way, spiced up with steamy scenes and heartbreak.Would you be able to stay sane if time stopped for you but not your lover/soulmate?The story is supposed to be linked to the Greek mythology, it starts with a curse the goddess Hera places upon the dragons and we are introduced to another (fictional) goddess, Angelos, the daughter of Hera and granddaughter to Zeus, who vowed to watch over the remaining dragons.However, if Angelos was the granddaughter of Zeus, she shouldve been the child of Hera and a son of Zeus but there is no hint in the Greek mythology for this; Hera was the wife of Zeus (who was her brother, icks!) and even though Zeus was a womanizing god, she did stay faithful to him theoretically Angelos shouldve been the child of Hera and Zeus, right?I know that Angelos is fictional, but since I love the Greek legends this left me scratching my head ;)Now about the story of Dragons Dont Cry and the main characters Bastian and Acasia.The idea of many different realms was intriguing and I hope to read more about it in the following books, especially more about the realm where Bastian and Acasia are staying.A wonderful bonus was the crossover between the stories of The Fang Chronicles and Dragons Dont Cry.When Bastian and Acasia visited the earth (seems to be a different earth/world than Acasia came from) they met with Dmitri, Mandy and Honey (!!!) from the Fang Chronicles.I absolutely loved Mandys Story (Fang Chronicles, #4) and was happy to get a glimpse of them again!But dont worry, Dragons Dont Cry is a standalone book, but Id suggest to read -at least- Mandys Story, which still is my favorite book of DElen McClain, to get some background info.I will spoiler you, that this book has a HEA and the very last phrase made me tear up with tears of laughter!Seriously, I did not anticipate THAT!A hint: considering how this book ended, I think you can gift Dragons Dont Cry for Easter ;)0 von 0 Kunden fanden die folgende Rezension hilfreich. Nun jaVon JuliaIch hatte ein Vorschau im Netz gefunden und fand die ersten paar Seiten ziemlich spannend. Leider hat sich das Buch dann nicht ganz so entwickelt wie ich dachte. Die Charaktere haben mich nicht wirklich berzeugt.

KurzbeschreibungA dragon shifter, a curse, and a woman with attitude.One pint sized human female whos had too much to drink, not enough sleep, and absolutely no patience meets one stubborn dragon shifter with a chip on his shoulder.Bastian claims Acasia, his unwilling bride, after she spends the night carousing with friends. Shes not happy, hes pissed off, and with a curse from a goddess thrown in, youll see Bastian breathe fire.Add secrets, treasure, and unimaginable heartbreak for an emotionally humorous read and discover whyDragons Dont Cry..This book contains adult situations.Dragons Don't Cry - Book IDragons Don't Love - Book IIDragons Don't Forgive - Book IIIDragons Live Forever - Book IVDragons Dont Lie Book VKurzbeschreibungA dragon shifter, a curse, and a woman with attitude.One pint sized human female whos had too much to drink, not enough sleep, and absolutely no patience meets one stubborn dragon shifter with a chip on his shoulder.Bastian claims Acasia, his unwilling bride, after she spends the night carousing with friends.
