nach Krynn - Willkommen zu Hause Von Ein Rezensent Auf den Inhalt will ich aus Grnden des Spoilens nicht eingehen. Aber nur soviel: Wer Dragonlance liebt wird auch dieses Buch lieben. Es gibt zwar durchaus einige inhaltliche berschneidungen mit einigen alten DL-Bchern aber hier werden unser aller Lieblingscharaktere nochmals beleuchtet. Die Lost Chronicles sollte jeder DL-Fan besitzen denn sie bringen einen zurck in die alte Heimat, alte Tage und man trifft wieder viele alte Freunde. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Drachenlanze ist super Von Norbert Wer die Drachenlanze im Original, von M. Weis und T. Hickmann schon gelesen hat, wei, dass dies ein Geheimtipp unter der Fantasygenre ist - das gilt auch fr diesen Band. Klare Kaufempfehlung - fr mich immer noch die beste Fantasyreihe und ich habe an die 20 Bcher schon von der Drachenlanze gelesen. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Good second installment Von Siglind Paschek While this book certainly is no literary masterpiece, it makes a quite entertaining reading. The characters from the original Chronicles trilogy, especially Kitiara and Laurana are believably pictured and the hidden love triangle between these two and Tanis Half-Elven was interesting and at times astonishingly funny. Also the struggles of the Solamnic Knighthood in the persons of three knights and Sturm Brightblade are well pictured and all in all this book gives what it is supposed to do: a long deep look into the background of one of the best fantasy sagas. Only the encounter between Kitiara and Lord Soth is a bit of a letdown, as it is indeed much too short and comes more like an afterthought, as if the authors had by the end of the book almot forgotten it themselves. For this reason I give this book four stars and not five as it might otherwise have earned.

Kurzbeschreibung The Chronicles retold--from evil's point of view. The story starts in Neraka, where Kitiara uth Matar and Emperor Ariakas hatch a plan to retrieve a dragon orb and thereby destroy Solamnia and the Companions in one fell swoop. But the guardian of the dragon orb, Highlord Feal-Thas, disagrees with this plan. Kitiara must go to Ice Wall to force him to accept Ariakas' will, but her journey does not end there. Thrown out of favor, she conceives a daring plan to enlist the aid of the most feared beings on Krynn--Lord Soth and the Dark Queen. Meanwhile, Laurana and the Companions retrieve the dragon orb and take it back to Solamnia--not knowing that they bring their allies' doom with them. The second volume of a new trilogy from celebrated authors Margaret Weis and Tracy Hickman, The Lost Chronicles details the famed War of the Lance from the perspective of the evil that menaces Krynn. The books are written in such a way that they will be marvelous complements to the original Chronicles, while at the same time accessible and exciting to new readers. From the Paperback edition.
