 Von Ein Kunde
 This book kicked Pride and Prejudice off my list of five favorite books...which, as anyone who has read it knows, is saying a whole lot. I have to admit, I came almost as close as ever to falling in love with a character from a book. Menolly has the best-developed character of anyone I have ever read about, excepting perhaps McKinley's Beauty and Lloyd Alexander's Vesper Holly. Every character in this book, even those who only appear a few times, have vivid and realistic personalities. This book also contains one of the most vivid scenes I have ever read. The musical theme makes this a must-have for any music lover.

 Von Issy048
 Dragonsinger is the continuation of Dragonsong and the story of Menolly is continued, which I really liked, as Menolly's Story really got me. I could strongly identify myself with Menolly in Dragonsong, and now her adventure continues. I really enjoyed reading this book and there is a lot about music in there as well, so it is also a must-have for fantasy and music lovers. At the Harper Craft Hall, Menolly has to face a very different life. She meets people, who really don't like her and try to bully her around, but pretend to be nice or neutral to her while in company. There are a lot of undercurrents there, that Menolly has to get used to. On the other hand, Menolly makes stout friends in Piemur, Camo, Sebell and even some of the masters, which she impresses by her musical understanding. In the end, I was surprised that only seven days had elapsed since she arrived at the hall. With so much going on (classes, practising, hand healing and the Fort gather), it rather seems that a lot longer time has passed. I'm really impressed how one sevenday could fill a book.
 Drachensnger ist die Fortsetzung von Drachengesang und die Geschichte von Menolly wird fortgesetzt, was mir wirklich gut gefllt, da ihre Geschichte mich sehr berhrt hat. Ich konnte mich stark mit Menolly in Drachengesang identifizieren, und jetzt wird ihr Abenteuer fortgesetzt. Ich habe das Buch wirklich genossen. Es enthlt auch viel ber Musik, ist also ein Must-Have fr Fantasy und Musikliebhaber. In der Harfnerhalle erlebt Menolly and komplett anderes Leben. Sie trifft Leute, die sie wirklich nicht mgen und versuchen, sie zu schikanieren, aber in Gesellschaft anderer vorgeben, nett oder zumindest neutral ihr gegenber zu sein. Es gibt viele unterschwellige Beziehungen, an die sich Menolly gewhnen muss. Auf der anderen Seite gewinnt Menolly sehr gute Freunde in Piemur, Camo, Sebell und sogar einigen der Meister, die sie mit ihrem musikalischem Verstdnis beeindruckt. Am Ende war ich berrascht, dass nur sieben Tage vergangen waren seit sie in der Halle angekommen ist. Es ist soviel passiert (Unterricht, bungen, Heilungsbeginn der Hand und das Treffen in Burg Fort), dass es einem vorkommt, als wre viel mehr Zeit vergangen. Ich bin wirklich beeindruckt, dass ein Siebentag ein ganzes Buch fllen konnte.

 Von Ein Kunde
 This book is a great example of a publisher telling a popular author, "Get us the next book soon; we don't care what shape it's in." Anne McCaffrey is a good writer but there were mistakes in this book that ruined my enjoyment. For one thing, there are TOO MANY fire lizards. These animals are characters, though not human, and their presence is an intrusion more often than not. If characters are so flat that they need names like Auntie 1 and Auntie 2, and then pretty much do not get mentioned for the rest of the book, than they are characters that should not have been included in the first place. Get rid of them! Another related flaw is that fire lizards are very demanding of attention from their owners, except when the author is busy trying to tell us something else, in which case the fire lizards conveniently don't exist for a while and then inexplicably are back. The biggest problem with this novel, however, is that it is very thin on plot. It is a vague coming-of-age story where all conflicts are resolved too easily and too soon. What saves the book is its setting, and the social structure of the Harper Hall. I love Anne McCaffrey but several of her books suffer from not enough influence from a good editor.

Kurzbeschreibung
 When Menolly, daughter of Yanus Sea Holder, arrived at the Harper Craft Hall, she came in style, aboard a huge bronze dragon, followed by her nine fire lizards. The Masterharper of Pern, aware of her unique skills, had chosen her as his only girl apprentice. But the holdless girl had first to overcome many heartaches in this strange new life. Two things sustained her her devoted lizards, a subject on which she was fitted to instruct her Masters and the music... music of compelling beauty, music-making where at last she was accepted. In the Great Hall, Menolly could fulfil her destiny.
 Anne McCaffrey was born in Cambridge, Massachusetts. She graduated cum laude from Radcliffe College, majoring in Slavonic Languages and Literatures. A prolific bestselling author, she is best known for her handling of broad themes and the worlds of her imagination, particularly in her tales of the Talents and the novels about the Dragonriders of Pern. Anne McCaffrey lives in a house of her own design, Dragonhold-Underhill, in County Wicklow, Ireland. Visit the author's website at www.annemccaffrey.net
 Pressestimmen
 "This is science fantasy that is cohesive and briskly paced, with sturdy characterizations and a fully-conceived society."
 "Suspense and continuity are...maintained through McCaffrey's ability to weave deft characterizations and a good story."
