Bre'sVon Ein KundeI've said it before and I'll say it again, there's nothing like a good fantasy book, and Dragonsong was good. Very good. Menolly is so well realised, her story is beautifully expressed. The plot is enthralling, I could barely put it down. It is imaginative, magical and truly awe-inspiring. Read it.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wirklich erstaunlich / Truly amazingVon Issy048Ich habe das Buch "Dragonsong" vor Jahren schon gekauft. Schon damals zog es mich in seinen Bann und ist eines meiner Lieblingsbcher von Anne McCaffrey.Menolly, die Hauptfigur, wird nach dem Tod des Harfners Petiron das Musizieren, ihre grte Leidenschaft, verboten. Auch das Schreiben von Musik ist ihr untersagt. Eine schwere Verletzung der Hand wird falsch heilen lassen, sodass Menolly Probleme hat, die Hand richtig zu nutzen. All dies treibt Menolly dazu, ihre Heimat zu verlassen und ohne Schutz den gefhrlichen Fden ausgesetzt zu sein, die in regelmigen Abstnden vom Himmel fallen.Durch Anne McCaffrey's einfache, aber tiefgehende Beschreibung der Umstnde kann man mit Menolly mitfhlen - fhlen, wie es sich anfhlt, derart ausgeschlossen zu sein von den anderen, so unverstanden. Selbst heute noch, nach vielfachem Lesen der Bcher, kommen mir an immer denselben Stellen Trnen in die Augen. Ich habe selten ein derart ergreifendes Buch gelesen - und ich habe viele Bcher gelesen (inzwischen drften es mehrere tausend gewesen sein)._____I bought "Dragonsong" some years ago. Back then it really pulled me into it's Story and it is one of my favorite Books by Anne McCaffrey.After the death of harper Petiron, Menolly is forbidden to make Music, her one and only Passion. Writing Music is also forbidden to her. After a deep cut in her Hand had healed wrong and Menolly had problems with using her Hand, she ran away from her home hold and live holdless, exposed to Thread, which is periodically raining down on Pern.Through Anne McCaffreys, simple, but emphatic description of Menollys life, one can feel with her - feel, what it feels like to not be part of most of hold life, not being fully understood and one's abilities not being appreciated by others. Even today, after having read the book very often, tears fill my eyes and exact the same Events. I rarely have read such a moving book - and I did read a lot of books so far (going into the thousands I'd guess).0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is really good.Von Ein KundeHomework can be hard and tiresome, but I was surprised when we were assigned a book as good as Dragon Song. Normally were given long boring books that you fall asleep on the first chapter. I was expecting this book to be boring also, despite the fact that it had things like dragons in it. I was happy to read a book as good as Dragon Song by Anne McCaffrey. Dragon Song was very enjoyable and was easy to relate to in some way. It was inspirational to see a person so looked down on able to get what she wanted just by sticking to what she loved. It had problems that were very close to real life it just depends on how you look at it. The way things are resolved in the book give the impression that everyone can do what they love no matter who they are. It gives a sense of victory when Menolly gets to go to Harper Hall and that's what makes it really enjoyable. Dragon Song was very exciting and kept you hanging on every word. Putting the book down is hard because the whole time you're wondering what's going to happen to Menolly. When reading the book theirs a feeling of excitement about how she deals with the Thread Storms and her Fire Lizards. It makes the reader want to go on and on until finishing the book. The book really excites you in all the events that happen. Dragon Song is good for everyone to read. It relates to a lot of problems faced in life and helps you feel a little more relieved that someone else has those problems even if they are fictional. I really liked this book because it was different and it entertained me unlike many other books I've read.

KurzbeschreibungEvery two hundred years or so, shimmering Threads fall from space, raining death and black ruin on Pern. The great dragons of Pern hurl themselves through the beleagured skies, flaming tongues of fire to destroy deadly Thread and save the Planet. But it was not Threadfall that made young Menolly unhappy. It was her father who betrayed her ambition to be a Harper, who thwarted her love of music. Menolly had no choice but to run away. When, suddenly, she came upon a group of fire lizards, wild and smaller relatives of the fire-breathing dragons, she let her music swirl around them. She taught nine of them to sing. Suddenly Menolly was no longer alone -- she was Mistress of Music and Ward of the dazzling fire dragons.Pressestimmen"This is science fantasy that is cohesive and briskly paced, with sturdy characterizations and a fully-conceived society.""Suspense and continuity are...maintained through McCaffrey's ability to weave deft characterizations and a good story."WerbetextContinuing the outstanding Chronicles of Pern.
