KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Typical collectionVon QuerleserLike most anthologies this collection contains stories of different quality. The first two fairytales of Bayne and Lucas resp. Chad and Sekou are nice written, the characters lovely. The last one is not my taste at all: I didn't like the characters, nor their actions or the story line.But ignoring the last one, the book contains two

lovely short stories.
