SnowReviewer: Stephanie Jordan#Paranormal #WolfShifterThis is book 2 of the series Avery Wolves, eight Avery Brothers. Yes another golden ticket for Ms. Snow, with the plots and character's to match said plots is always a win win situation.Summer Oliver is

a nightclub owner of the Shooting Gun in the Black Hills. Putting everything she had in the club to make it as great, she succeeded having a full house every weekend, during the week it was very busy. But that didn't matter, when Raven's came looking for her ex-boyfriend of 3 months. Seems he stole a large sum of money and they want it. Beating her up they gave her 72 hours to get it or she's dead. Going back to her home town to think, she heads to Greyson Falls. Drake Avery owned his own construction company, plus he's a Wolf. Drake and his brother's all have lived in Greyson Falls their whole life with there dad being the Alpha. Drake was furious, ready to tear someone apart. How dare they beat up Summer, she was there lil sister, yeah to everyone but him that is. Drake knew she was something more but he gave his word of honor to her brother, in high school, she was hands off. Drake and his brother's needed to take care of the Raven Motorcycle Gang first, they would pay. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung When Summer Oliver returns to her hometown busted up and hoping her brother can hide her, she has no idea he is staying with Drake Avery. The one man she has always wanted. She will be his. This is a standalone with HEA and is Book 2 in the Avery Wolves Series.
