Von Sasasecret Hat sich ja gut angeht am Anfang: sie wird mit einem Call girl verwechselt, denkt sich warum nicht um ber Liebeskummer hinwegzukommen, und hat einen coolen One-night-stand. Er findet und hofiert sie und

berredet sie zu einer Woche Sex auf einer Woche geschäftsreise. So weit alles gut. Sie verliebt sich. Und traut sich nicht ,ehrlich zu sein, sondern tut weiterhin supercool und erwartet aber von ihm Signale, die sie nicht gibt. Und das mit zu viel Sex- zu viel gleichem langweiligen Sex. Ich hab ein Problem mit so einem einseitigen POV wenn ich absolut ihre Einstellung nicht nachvollziehen kann. Zu unreif, zu unehrlich zu repetitiv. Und dann der schocker: das war nur teil eins???? I won't bother0 von 0 Kunden fanden die folgende Rezension hilfreich. Adorable story to enjoyVon LivI adore this book. The story is told from Rachels POV and I liked all the characters from the beginning. We get to know a little bit of every character but the adventure of Rachel and Landon takes in all of the pages because they are constantly hot for each other. A lot of sex scenes are included. The story lets you yearn for more. Its an enjoyable read and I am eager to jump right into the next book.Finding herself accidentally in sexy hotelier Landon Court's suite, Rachel gets mistaken as a hooker, presumably booked for his birthday from Landons younger brother Aidan.Both seem unable to forget this night and Rachel is sure she wont see him again until she gets assigned to write an article for a new Lounge, where she will find herself drowning in those beautiful eyes of Landon Court.Rachel cant ignore the strong attraction she feels towards Landon and it seems as if he can feel it too but Landon doesn't seem to be a guy that does love and Rachel has to prepare herself for a heartbreak. How will she manage to survive this? Her feelings for her ex-boyfriend Jake were nothing in comparison to her feelings for Landon.What a great story. I enjoyed every bit of it even though I doubt that any woman would agree to do anything a stranger wants in bed without further explanation. It doesn't matter how hot this guy is, you don't know him. He could be a perverse for all she knows.-- I received an ARC of this book from the author through the Fifty Shades Support Group on Goodreads in exchange for an honest review. --

These days she also writes, because the stories in her head won't leave her in peace otherwise. Even though she loves all kinds of fiction, she has a soft spot for love and romance, and that flush of pleasure that can only be found at the end of a beautiful love story. When she's not reading and writing, she enjoys cocktails, coffee, numerous TV shows, and has never gotten over her crush on LdC. If she had to choose between a good book and ice-cream, she'd take both and make a run for it.
